

Barack Obama Redwork Block Pattern

“For many months, we’ve been teased and even derided for talking about hope.....But we always knew that hope is not blind optimism. ... Hope is that thing inside us that insists, despite all evidence to the contrary, that something better awaits us if we have the courage to reach for it, and work for it, and fight for it.”

- Barack Obama, Iowa Victory Speech, January 3, 2007
